

Flip Charts with Online Multimedia Lessons

Your perfect blended learning solution!

“Write-On/Wipe-Off” Flip Charts each provides comprehensive coverage of a key standards-based topic along with one-year online access to a corresponding **Multimedia Lesson** featuring in-depth, interactive coverage of the concept. The Multimedia Lesson can be accessed by a teacher and **ALL** of their students **anywhere, anytime, on any device** – including Chromebooks, tablets, computers and mobile devices!

Spiral-bound on a sturdy easel, the Flip Charts are ideal for small group instruction, learning centers, independent study or classroom reference and include –

Human Body – Grades 6 - 10
