

Take-Home Games

MATH • ELA • SCIENCE • SOCIAL STUDIES

Specifically Developed to Meet Current National & State Standards

Excellent Means of Stimulating Parental Involvement!

NewPath Learning's Take-Home™ games provide everything needed to effectively and efficiently engage students and their parents in curriculum-based learning activities outside the classroom! Each Take-Home edition includes 25 games – individually packaged, leveled by content and readability, and focused on a key curriculum topic.

Teachers –

- Stimulates outside review & parental involvement
- Covers core, standards-based topics – leveled by content & readability
- Easy-to-implement, easy-to-manage
- Durable materials provide for years of use!

Parents –

- Promotes student involvement & curriculum understanding
- Easy-to-follow instructions are the same for every game!
- 25 Different games by topic, per grade level
- Simple evaluation summary for teacher communication

Students –

- Engaging means of home-study & review!!!

Each of these 25 games includes –

- A weatherproof vinyl folder
- Set of 30 standards-based review questions focused on a core curriculum topic
- 1 Double-sided, laminated game board
- Parent instruction card
- 4 Game pieces & 1 die

Each Take-Home edition includes a 1 Year Premium Subscription to NewPath's Online Learning Program providing access to standards-based online resources including games, interactive exercises, quizzes and more!

Also features a Teacher & Parent Planning & Resource Guide featuring –

- Correlations to curriculum standards
- Learning objectives
- Easy-to-follow instructions
- Recommended classroom integration techniques
